To

The Secretary to the Government of Mysore,

Revenue Department,

Bangalore.

SIR,

I have the honour to bring to the notice of Government that on receipt of the Official Memorandum No: G.5100-27 G.M.96-23-1 of 21-9-1923, a Circular was sent to all the subordinate offices including the Superintendents of Chamarajendra Technical Institute and Industrial Schools, insisting upon the necessity of the menials, wearing the decent clothing, while on duty and providing them with belts and badges also. As most of the menials working in the commercial concerns, Industrial Schools and the Chamarajendra Technical Institute(as per statement enclosed) were not provided with belts and badges for a very long time and as the rules prescribed by Government and(published in page 172 of the Mysore Account Code Volume I Appendices and Forms)provided for such a supply being made at Government cost, I ordered the supply of belts and badges to them at the rates sanctioned by Government in their order No:G.7063 G.M. 25-23-34 of the 5th November 1923, but the Comptroller refuses to pass the bills without the special sanction of Government.

I therefore request you to be so good as to authorize the Comptroller to pass the bills in question as the special sanction of Government for the periodical issue of belts, which was regulated in the Code itself, appears to be unnecessary.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR.

B a n g a l o r e.

SIR,

With reference to your No: G.55/G.M.2-24-3 of the 5th July 1924 re: the supply of belts and badges to the menials of the Chamarajendra Technical Institute and the Industrial Schools, I have the honour to note in the appended statement, the year in which the belts and badges were supplied to the Chamarajendra Technical Institute and two of the Industrial Schools, when they were under the control of the Education Department. It is also ascertained from office of the Inspector-General of Education that no separate sanction for the supply of Belts and Badges to the schools was ever obtained as their issue was regularised by the codal rules and the rates at which they are to be supplied to all the menials in Government service under orderley duty, are also fixed by Government and the cost has been ordered to be debited to the Contingent grant of the respective offices. The same procedure was followed in this Department also as all the powers that were being exercised by the Inspector-General of Education so far the Industrial Schools are concerned are being exercised by me after their transfer to this Department. If you still consider that Government sanction is necessary each time the belts and badges are to be issued, I shall do so hereafter and sanction of Government may kindly be accorded for the issued already made, which had to be done to satisfy the observation made by the Dewan Sahib during his inspection of some of the offices, communicated
